

1.Functionality testing

> if i click on the menu than suddenly session is timeout and two option show and than i click on by one but no details is change its freeze.

The screenshot shows a web browser window with multiple tabs open. The active tab is for 'merchant.sbi.bank.in/merchant/loginsubmit.htm'. The page header includes the SBI Online logo and navigation links for 'Personal Banking' and 'Corporate Banking / yono BUSINESS'. A red error message 'Invalid Username or Password' is prominently displayed. Below the message, there are fields for 'User ID*' and 'Password', each with a placeholder 'Enter user ID' and 'Password' respectively. Two buttons, 'LOGIN' (yellow) and 'RESET' (light blue), are positioned below the input fields. To the right of the input fields is a 'Virtual Keyboard' with a grid of letters and symbols. At the bottom of the page is a 'Disclaimer' section containing text about privacy and payment mechanisms, followed by a bulleted list of instructions and a note about reversal/refund times.
